RE: Manufacturing Methamphetamine Arrest

On Thursday evening June 2nd of 2011, sheriff's deputies assisted by Oakland City Police and the Indiana State Police went to 4624 E 250 S in rural Francisco to serve a military A.W.O.L. arrest warrant for a female subject that was living at the residence. Upon arrival, officers made contact with Allen R Arnold (44 yoa of Francisco) and other unidentified occupants. In plain view, officers noticed items commonly used to manufacture methamphetamine. A search warrant was obtained for the residence and officers discovered a methamphetamine lab present. The Indiana State Police lab team was called to dismantle the lab. The investigation continues and is on-going by the Gibson County Sheriff's Office and the Oakland City Police Department.
Arnold is currently being held on no bond pending a preliminary court appearance this afternoon:
